The painful symptoms associated with chronic sinusitis can be overwhelming. Now, there is an additional surgical option for treatment of blocked sinuses called Balloon Sinuplasty™ Technology. Hear about minimally invasive procedures done to fix your sinus problems for good. This procedure is covered by Medicare and most insurance.

The Balloon Sinuplasty™ system is:

Minimally Invasive
Safe and Effective
Clinically Proven

Speaker:

*John T. Lanza, M.D., F.A.C.S.
